

BSU  
APICs STUDENT CHAPTER

Minutes of a meeting held on 24 September 2007, 12:30 p.m.

Present: Professor Tom Gattiker, Lisa Marie Mace, Courtney Kirchner, Jacob Blanchard, Klye Puckett, Daniel Fretwell and Sonja Coleman

#### OPENING

President Jake Blanchard opened the meeting and asked for a vote of approval for the minutes from 9/12 meeting. Vote was unanimous and the minutes were approved.

A contact list of members was handed out to everyone as well as a copy of the 9/12 meeting minutes.

#### OTHER BUSINESS

Discussion was held regarding the APICS International Convention to be held October 21 – 23 in Denver, CO. Costs for sending the student were mentioned and some expressed interest in attending. VP of Publicity, Courtney Kirchner indicated that she is already going on the scholarship and it would be nice for someone who is going to stay with the group to attend. Professor Gattiker nominated President Blanchard and Secretary Lisa Marie Mace to attend the convention.

President Blanchard would not be able to attend this year and agreed that with the group, Lisa should attend. Because of Lisa's interest and industry background, the group felt it was the right choice.

A meeting will be set to arrange for travel and hotel. Courtney also mentioned that a student from the U of I could possibly be attending as well and that would help with the hotel costs.

President Blanchard invited everyone to attend the COBE Golf Tournament on October 4, 2007. Some have replied to him that they will be able to attend and volunteer at this event, but others are still needed.

A meeting prior to that event will be held October 3, 2007 at 12:30 to go over details regarding the Golf Tournament. President Blanchard will also be handing out the APICs T-shirts.

It was suggested that at the next meeting, everyone should have a list or some ideas for the clubs events for the year.

#### ADJOURNMENT

The meeting was adjourned at 1:15 p.m.
